

ROCABELLA

Thank you for choosing Rocabella Mykonos Hotel for your vacation!

At Rocabella Mykonos Hotel we are continuously monitoring the development of **COVID-19** around the world and follow the guidelines of local health authorities.

Now, more than ever, we are focused on the health and safety of our guests and employees. At our hotel, hygiene and cleanliness are always prioritized. In order to secure just that, we have set-up procedures, plans and routines in place, so that all of our guests can feel safe when staying at our hotel.

- We follow the guidelines and recommendations of local authorities
- Increased hand- washing and sanitation of our staff members
- Providing more hand wash and sanitation products upon check in to our guests
- Regular disinfection of exposed surfaces
- Frequent sanitation of the common areas
- Rooms thoroughly sanitised by our experienced Housekeeping Staff
- Extra precautionary procedures for food products and meal preparation
- Daily monitoring and adhering to the latest information, protocols and tools from the World Health Organization

Our Hotel will be operating as normal with every precaution, as our top priority is our guests and their safety, we will be taking every action to achieve this.

Should you have further questions about our safety procedures and making a reservation, do not hesitate to contact us at reservations@rocabellamykonos.com.

With warm regards,
The Rocabella Mykonos Team
