

Covid-19 has shown us how precious travel is. Travel is a blessing and a cure for body, mind and soul. Traveling is a break to recharge your batteries and stimulate all your senses. It is about finding yourself again and discovering new things. It creates very special moments of happiness and memories that will last a lifetime! We understand that it is quite exciting to rebook a trip at the moment. At the same time we know that many people have a great desire for this.

We, at Rocabella Mykonos, do everything we can to ensure that you continue to have wonderful travel experiences. Our Team has worked hard on the hygiene and safety measures to give you security. We know all current measures and at all times, our top priority is to provide our guests with the top-notch service they are accustomed to.

PAYMENT AND CANCELLATION POLICIES
