

ROCABELLA

Mykonos

An authentic wanderlusting experience in Cyclades

A highly eclectic bohemian philosophy meets the cycladic simple architectural lines forming the unique hospitality experience of Rocabella Mykonos. The newly renovated 5 star boutique hotel, a member of Design Hotels, offers 26 suites and rooms with mini private pools, in full harmony with the island's landscape and spirit. **Its sophisticated decoration, based on natural materials and neutral tones, creates a sense of intimacy and serenity, while maintaining the island's cosmopolitan vibes.**

The floating beds and bungalows of the spectacular central pool, the largest hospitality pool in Mykonos, let you relax and fully immerse into the essence of the Mediterranean summer, with **a feeling of total freedom under the hot sun, while gazing at the blue sea.** Residents and visitors can enjoy their lunch or cocktail around the infinity pool with a capturing view of Delos and Chora, while also many events and photoshoots are taking place in this serene location.

Reeza, the retreat awarded restaurant, offers breakfast and brunch from 08.00 am, all day lunch options can also be served by the pool, and a highly recommended dinner experience with a great sunset view in the evening, **based on greek infusion cuisine with unique local delicacies.** The menu has been carefully curated by awarded Mihalīs Merzenis, who has successfully worked in many famous kitchens around the world in the past years. An infinity bar, with amazing view, excellent signature cocktails and premium spirits completes the dreamy setting.

The last few years, world class luxury yoga retreats have been taking place in the hotel's facilities. The **outdoor gym area** offers advanced fitness equipment to those who want to keep up with their daily habits and the on-site **spa services,** with greek natural beauty products from Apivita, make Rocabella the ideal place to unwind and daydream.
