MYKONOS

Hair, make up and nail services are available and can be arranged through our concierge desk. Guests are kindly advised to make their booking upon arrival in order to secure availability.

Please be so kind to send your requests at our email address: **welcome@rocabellamykonos.com**. To secure your desired treatment, we recommend you make your booking before your arrival.

### Upon your arrival

Please arrive 10' earlier than your scheduled appointment. As a courtesy to the next guest, your treatment will end on time, regardless of the start time. Arriving late will simply limit the time of your treatment, lessening its effectiveness and your pleasure. The full treatment price will be applied.

### Please inform us of cancellations

Please be so kind to give us 8 hours' notice for individual treatments and 24 hours' notice on packages you wish to cancel, otherwise you will be charged 50% of the total cost. Guests who miss their appointment without prior notification will be charged the full amount of the treatment. Same day booking cancellation or no show will lead to full charge of the treatment. In case guests are more than 15' late and our therapist has not enough time to perform service due to time limitations, guest will be charged the full amount of the treatment.

### Dress Code

You are kindly requested to take a shower in your room before coming in for your treatment in the Spa. Our therapist will provide you with clean, sterile towels, due to the fact that bathrobes and slippers are permitted only at our spa area. Guests are kindly advised to come directly at the spa area in case they would like to wear their bathrobe. Our guests are kindly requested to wear swimwear in the jacuzzi. In the sauna all guests must use a body and foot towel for hygienic reasons.

All prices are inclusive of VAT

\*Gratuity is not included in the price of the treatment.

Kallirroï Marina Kalfopoulou

A high-contrast, black and white photograph focusing on the curves of a human back and shoulder. The skin is illuminated from the side, creating soft gradients of light and shadow that emphasize its texture and form. The background is a solid, deep black, which makes the light-toned skin stand out prominently. The composition is abstract and artistic, capturing a moment of stillness.
